2.HandBook for College Principal, Commissionerate of Collegiate Education, dated: Nil.
3.A.P.Civil Service (conduct) rules of 1964 issued in G.O.Ms.No.468 G.A (ser .C.) dept dated 17-04-1964.

The Government of Andhra Pradesh is committed to maintain standards in Higher Education and prescribed the Code of Professional Ethics for College Teachers, Principals, Physical Directors and College Librarians vide ref.no1 cited, which emphasizes that whoever adopts teaching as a profession assumes the obligation to conduct himself / herself in accordance with the ideal of the profession. A teacher is constantly under the scrutiny of his students and the society at large. Therefore, every teacher should see that there is no incompatibility between his precepts and practice. The national ideals of education which have already been set forth and which he/she should seek to inculcate among students must be his/her own ideals. The profession further requires that the teacher should be calm, patient and communicative by temperament and amiable in disposition.

Educational institution is a place where the future of the students is shaped and thereby the destiny of the nation is carved. Hence it has a special place in the society and needs special code of conduct. National Education Policy (NEP) 2020 states that in order to ensure positive learning environments, the role expectations of Principals and teachers will explicitly include developing a caring and inclusive culture at their institutions for effective learning and the benefit of all stakeholders.

Along with general conduct rules prescribed by the Government and UGC, the Principals, Lecturers, Physical Directors, and College Librarians working in Government Degree Colleges shall follow the code of conduct and perform the following duties and responsibilities.

I. General: (AP Civil Services Conduct Rules)

The employees working in the department of Collegiate Education are governed by A.P.Civil Service (conduct) rules of 1964 issued in G.O.Ms.No 468 G.A (ser .C.) dept dated 17-04-1964.

The salient features of the conduct rules are:

1. Every Govt. employee shall be devoted to his/her duty and shall maintain absolute integrity, discipline, impartiality and sense of propriety. He/ she shall not join any organization or association, the objects of which are prejudicial to the state.
2. The Govt. employees shall not participate in any strike or similar activity and shall not participate in any demonstration, which is against the interest of the state.
3. The Govt. employees or his/her family members shall not accept gifts of any sort from any body.
4. The Govt. employees shall not raise subscription or any other pecuniary assistance in pursuance of any objective what so ever.
5. The Govt. employees or his/her family members shall not lend or borrow or deposit money or lend money to any person on interest.
6. The Govt. employees or his/her family members shall not acquire or dispose movable or immovable property exceeding the monetary limits prescribed by the Govt. except after previous intimation to the govt.
7. The Govt. employees shall not engage directly or indirectly in any trade or business.
8. The Govt. employees shall not promote or manage companies in private capacity.
9. The Govt. employees shall not, except with previous sanction of Govt. negotiate or undertake any employment or work other than that of his official duties,
10. No Govt. employee who has a wife living shall contract another marriage without obtaining permission of the Govt. No female Govt. employees shall marry any person who has a wife living without obtaining the permission from the Govt.
11. No Govt. employees shall, while on duty, be under the influence of liquor or drugs, which render him incapable of discharging his/her duty. No employee shall appear in a public place in a state of intoxication.
12. No Govt. employees shall criticize the policy and action of the Govt. or any other State Govt. or central Govt.
13. No Govt. employees shall participate in politics or elections.

Any violation of conduct Rules attracts the provision of APCS (CCA) Rules, 1991 for initiation of disciplinary action against such employee.

II. Code of Conduct for the College Principal:

A College Principal is the hub around which the entire activity of the institution revolves. The motive forces of activities in a College campus apparently are students,

Report on the Workshop on Composting Garden Waste and Awareness on Natural Farming

Date: 20.08.2024

Abstract:

A one-day workshop on composting garden waste using a waste decomposer solution and raising awareness about natural farming was conducted by the Science Departments of SVA Govt. Degree College (M), Srikalahasti. The program witnessed participation from various stakeholders, including Assistant Directors of Agriculture, Assistant Engineers of the Municipality, progressive farmers, local farmers, faculty members and students.

Objectives:

The workshop aimed to:

- Educate participants on effective composting techniques using waste decomposer solutions.
- Promote the benefits of natural farming and its sustainable practices.

Background:

The college campus, adorned with numerous trees, generates a substantial amount of leaf waste, particularly during the fall season. Traditionally, this waste is either burned or sent to landfills, contributing to pollution and greenhouse gas emissions. To address this, we adopted a sustainable approach that not only manages leaf waste but also enriches the campus ecosystem.

Students Presentation:

A group of students from III B.Sc (BZC) presented their research and findings on the preparation and application of waste decomposer solutions. Their presentation was well-received, showcasing innovative ideas and the potential impact of composting garden waste on sustainable gardening practices.

Departments involved: Chemistry, Botany & Zoology

Demonstration:

A live demonstration of composting garden waste using a waste decomposer solution was conducted in the college garden. Participants were given hands-on experience in preparing the compost and were encouraged to apply these techniques in their own farms and communities.

Outcome of the program:

The event was successful in enhancing the knowledge of students and other participants on sustainable waste management and natural farming practices. By adopting this green initiative,

the college not only minimizes its environmental impact but also enhances the educational experience for its students

Future Plan:

We plan to start vermicomposting and compare the results with composting using a waste decomposition solution. Additionally, we aim to market the organic compost produced.

Sir/Madam,

Sub : A.P. Women's Commission – Regarding ICCs/LCCs under POSH Act and
Anti-Ragging Committees.

Ref : Instructions of Hon'ble Chairperson of A.P. Women's Commission.

Kind attention is invited to the subject cited, where-in the Adhoc Committee formed under the Chairmanship of the Hon'ble Chairperson of A.P. Women's Commission, conducted enquiry regarding suicide of a minor girl student at Sri Chaitanya Engineering College, Kommadi, Visakhapatnam on 03.04.2024. It is observed that the Internal Complaints Committee was not formed and students have no idea of Internal Complaints Committee and there were no Complaints boxes in the campus and also not formed anti-ragging committees.

In this connection, the Hon'ble Chairperson of A.P. Women's Commission desires to address concerned Schools, Universities and their affiliated Colleges to send the status of ICC/LCC under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act-2013 and also on Anti-Ragging cases.

STUDENT GRIEVANCE CELL REPORT

2013-14.

1

Date : 22.07.2013.

Students Grievance Redressal Cell is constituted in the college on 22.07.2013 as per the regulation of UGC. It is established to resolve all day by day grievances of the students regarding Academic and non-academic matters. The cell redresses the grievances at individual as well as class level and grievances of common interest.

Objectives of Grievance Redressal cell:

- promoting better stakeholder relationship
- prevention of misconduct and linking with a well defined disciplinary system to make it acceptable to all.
- to ensure transparency in the process of teaching and learning
- to probe into matters of harassment
- to make the redressal process fair, impartial and consistent.

Board of Adjudication of students grievances:

A five member committee is constituted to probe into the student grievances consisting of

2

Process to approach for help

In general the individual or class level grievances are expressed to the class in-charge lecturer or to faculty who regularly attend their classes. If not solved or satisfied, students are encouraged to use the Grievance / Suggestion Box which is placed at the building entrance hall. The complaint should be written in a paper mentioning the name and class of the student.

- Students can drop their complaints in the Grievance Box
- On every 1st and 15th of the month the members of Student Grievance Cell open the box and collect the complaints.
- The grievance redressal cell scrutinizes all complaints and necessary action is taken within a few days.
- Besides, there is an exclusive mechanism to address the issues relating to women and their grievances.
- The action taken for redressal is recorded and the same will be intimated to the students by means of a notice or through their faculty.
- The actions should be prompt for better redressal of Grievances.

World Environment Day on 05-06-2023

On June 5, 2023, S.V.A. Govt. College, Srikalahasti, marked World Environment Day with a well-organized environmental awareness camp, spearheaded by the college's NSS Units, NCC, and RRC. The event was designed to foster environmental stewardship and educate participants on the importance of sustainable practices. A total of 110 students and 20 staff members took part in the various activities, which included tree planting, waste management workshops, and educational sessions on reducing carbon footprints. The enthusiastic participation reflected the college community's commitment to environmental conservation and awareness.

The camp featured interactive sessions led by environmental experts and showcased practical ways to contribute to a greener planet. Students and staff engaged in hands-on activities that promoted eco-friendly practices and highlighted the role of individual actions in addressing environmental challenges. The successful execution of the camp underscores the effective collaboration between the NSS, NCC, and RRC, and demonstrates the college's dedication to nurturing environmental consciousness and making a positive impact on the local and global environment.

A Workshop on “Role of Boys in Gender Equality” on 09.11.2023

SVA Government College (M), Srikalahasti Women Empowerment Cell conducted a Workshop on **“Role of Boys in Gender Equality”** on 09.11.2023.

The goal of the present workshop is Gender Equality, which occurs when men and women have equal rights and opportunities in all areas, including decision making and economic involvement. In society and before the law, men and women are treated equally.

By the end of the day participants will:

- Understand the idea of "gender equality"
- Identify gaps and needs for gender equality

SVA Government College (M), Srikalahasti Women Empowerment Cell organized a Workshop on **“Role of Men in Gender Equality”** on 09.11.2023. The principal of the college Dr. M. Srilatha said that Gender equality plays an essential role in determining a country's overall growth. If we look at the world even today at many places women are not given equal rights with men. Women's are discriminated against in the means of employment. Gender equality starts with equal valuing of girls and boys. The chief guest of this program was Dr. P. Neeraja, Associate Professor; HOD of Department of Women's Studies, Padmavati Mahila University, Tirupati had given awareness on Gender equality. She explained Gender equality refers to the equal involvement and empowerment of men and women in all areas of public and private life. This indicates that men and women have equal rights and respect. She showed some videos and PPTs of gender discrimination and created awareness to the men students. The college Vice-Principal Dr.N.Murali said Gender equality needs to be continuously fought for, defended, and promoted, just like all other human rights. Equal valuation is the foundation of gender equality. IQAC Coordinator Dr.C.Bapanayya had given a speech about the importance of Gender equality. Women Empowerment Cell coordinator Dr.M.Thulasi said if girls are educated then they will be able to go ahead and help in running the family well.

At the end of the program Dr. P. Neeraja gave a questionnaire forms to the students and collected student's opinion on gender equality. On this occasion students were made aware about gender equality. Finally some of the students shared their feedback on the workshop. WEC members, non teaching staff and men students are actively participated. The program was successfully completed.

The college principal addressed the gathering, emphasizing the importance of education and awareness in combating the spread of HIV/AIDS.

NSS Program Officers B. Nagaiah and V. Babu Rao highlighted the role of NSS in promoting HIV/AIDS awareness and providing support to individuals living with HIV/AIDS. They encouraged students to participate in HIV/AIDS prevention activities and to break down stigma associated with the disease.

The event concluded with a pledge taken by the students to promote HIV/AIDS awareness and support individuals living with the disease. Overall, the World AIDS Day celebration at SVA Government College was a successful event that raised awareness about HIV/AIDS and encouraged students to take action to prevent its spread.

Gandhi Death Anniversary

Date: January 30, 2020

The SVA Government College observed the death anniversary of Mahatma Gandhi on January 30, 2020, with a dedicated event to honor his legacy. The event was attended by the college principal, Dr. Y. Nagaraja Naidu, NSS Program Officers B. Nagaiah and V. Babu Rao, as well as 19 staff members and 210 students.

The celebration commenced with a brief introduction to the life and contributions of Mahatma Gandhi. Students presented speeches, poems, and cultural performances highlighting Gandhi's philosophy of non-violence, truth, and social justice. The college principal addressed the gathering, emphasizing the relevance of Gandhi's message in today's world.

NSS Program Officers B. Nagaiah and V. Babu Rao highlighted the importance of following Gandhi's principles and working towards a peaceful and just society. They encouraged students to participate in community service and promote peace and harmony.

The event concluded with a pledge taken by the students to uphold Gandhi's ideals and strive for a better world. Overall, the Gandhi Death Anniversary celebration at SVA Government College was a meaningful occasion that honored the legacy of Mahatma Gandhi and inspired students to embrace his principles.

International Women's Day

Date: march 8th

SVA Government College commemorated International Women's Day on 8th march with a vibrant and engaging event that celebrated the achievements and contributions of women. The celebration was graced by the presence of Dr. Y Nagaraja Naidu, Principal of the college, along with NSS Program Officers B. Nagaiah and V. Babu Rao.

A total of 21 staff members and 195 students participated in the event, which featured a variety of activities and performances that highlighted the strength, resilience, and determination of women. [Briefly describe the activities and performances that took place, such as speeches, dance performances, or panel discussions].

The event concluded with a heartfelt message from Dr. Y Nagaraja Naidu, who emphasized the importance of empowering women and creating a more equitable society. He encouraged the students to embrace their full potential and strive for excellence in all their endeavors.

The International Women's Day celebration at SVA Government College was a resounding success, inspiring and motivating both students and staff to continue advocating for gender equality and women's empowerment.

SYLLABUS OF HUMAN VALUES PROFESSIONAL ETHICS AS PART OF LIFE SKILLS COURSES

UNDER CBCS FRAMEWORK WITH EFFECT FROM 2020-21

PROGRAMME: FOUR-YEAR UG HONOURS PROGRAMME

HUMAN VALUES AND PROFESSIONAL ETHICS (HVPE)

(SYLLABUS)

Learning Outcome:

On completion of this course, the UG students will be able to

- ✓ Understand the significance of value inputs in a classroom and start applying them in their life and profession
- ✓ Distinguish between values and skills, happiness and accumulation of physical facilities, the Self and the Body, Intention and Competence of an individual, etc.
- ✓ Understand the value of harmonious relationship based on trust and respect in their life and profession
- ✓ Understand the role of a human being in ensuring harmony in society and nature.
- ✓ Distinguish between ethical and unethical practices, and start working out the strategy to actualize a harmonious environment wherever they work.

UNIT: 1 Introduction – Definition, Importance, Process & Classifications of Value Education

- ❖ Understanding the need, basic guidelines, content and process for Value Education
- ❖ Understanding the thought provoking issues; need for Values in our daily life
- ❖ Choices making – Choosing, Cherishing & Acting
- ❖ Classification of Value Education: understanding Personal Values, Social Values, Moral Values & Spiritual Values.

UNIT: 2 Harmony in the Family – Understanding Values in Human Relationships

- ✓ Understanding harmony in the Family- the basic unit of human interaction
- ✓ Understanding the set of proposals to verify the Harmony in the Family;
- ✓ Trust (*Vishwas*) and Respect (*Samman*) as the foundational values of relationship
- ✓ Present Scenario: Differentiation (Disrespect) in relationships on the basis of body, physical facilities, or beliefs.
- ✓ Understanding the Problems faced due to differentiation in Relationships
- ✓ Understanding the harmony in the society (society being an extension of family): *Samadhan*, *Samridhi*, *Abhay*, *Sah-astitva* as comprehensive Human Goals
- ✓ Visualizing a universal harmonious order in society- Undivided Society (*AkhandSamaj*), Universal Order (*SarvabhaumVyawastha*)- from family to world family.

UNIT: 3 Professional Ethics in Education

- ✓ Understanding about Professional Integrity, Respect & Equality, Privacy, Building Trusting Relationships.

SYLLABUS OF

ENVIRONMENTAL EDUCATION

AS PART OF LIFE SKILLS COURSES

UNDER CBCS FRAMEWORK WITH EFFECT FROM 2020-21

PROGRAMME: FOUR-YEAR UG HONOURS PROGRAMME

AP State Council of Higher Education

Revised Syllabus under CBCS Pattern

(w.e.f. 2020-'21 Academic Year)

A Mandatory Course for BA/BCom/BSc etc.

ENVIRONMENTAL EDUCATION

(Total hours of Teaching – 30 Hrs. @ 02 Hrs. per Week)

Course objective: A Generic Course intended to create awareness that the life of human beings is an integral part of environment and to inculcate the skills required to protect environment from all sides.

Learning outcomes: On completion of this course the students will be able to

1. Understand the nature, components of an ecosystem and that humans are an integral part of nature.
2. Realize the importance of environment, the goods and services of a healthy biodiversity, dependence of humans on environment.
3. Evaluate the ways and ill effects of destruction of environment, population explosion on ecosystems and global problems consequent to anthropogenic activities.
4. Discuss the laws/ acts made by government to prevent pollution, to protect biodiversity and environment as a whole.
5. Acquaint with international agreements and national movements, and realize citizen's role in protecting environment and nature.

Unit 1: Environment and Natural Resources

06 Hrs.

1. Multidisciplinary nature of environmental education; scope and importance.
2. Man as an integral product and part of the Nature.
3. A brief account of land, forest and water resources in India and their importance.

4. Biodiversity : Definition; importance of Biodiversity - ecological,consumptive, productive, social, ethical and moral, aesthetic, and option value.
5. Levels of Biodiversity: genetic, species and ecosystem diversity.

Unit-2: Environmental degradation and impacts

10Hrs

1. Human population growth and its impacts on environment; land use change, land degradation, soil erosion and desertification.
2. Use and over-exploitation of surface and ground water, construction of dams, floods, conflicts over water (within India).
3. Deforestation: Causes and effects due to expansion of agriculture, firewood, mining, forest fires and building of new habitats.
4. Non-renewable energy resources, their utilization and influences.
5. A brief account of air, water, soil and noise pollutions; Biological, industrial and solid wastes in urban areas. Human health and economic risks.
6. Green house effect - global warming; ocean acidification, ozone layer depletion, acid rains and impacts on human communities and agriculture.
7. Threats to biodiversity: Natural calamities, habitat destruction and fragmentation, over exploitation, hunting and poaching, introduction of exotic species, pollution, predator and pest control.

Unit 3: Conservation of Environment

10 Hrs

1. Concept of sustainability and sustainable development with judicious use of land, water and forest resources; afforestation.
2. Control measures for various types of pollution; use of renewable and alternate sources of energy.
3. Solid waste management: Control measures of urban and industrial waste.
4. Conservation of biodiversity: In-situ and ex-situ conservation of biodiversity.
5. Environment Laws: Environment Protection Act; Act; Wildlife Protection Act; Forest Conservation Act.
6. International agreements: Montreal and Kyoto protocols; Environmental movements: Bishnois of Rajasthan, Chipko, Silent valley.

Suggested activities to learner: (4 hours)

1. Visit to an area to document environmental assets: river/ forest/ flora/fauna, etc
2. Visit to a local polluted site-Urban/Rural/Industrial/Agricultural site.
3. Study of common plants, insects, birds and basic principles of identification.
4. Study of simple ecosystems-forest, tank, pond, lake, mangroves etc.
5. Case study of a Forest ecosystem or a pond ecosystem.

Learning Outcomes:

By successful completion of the course, students will be able to;

1. *Understand the basic concepts Environmental health*
2. *Learn and identify the industrial pollution*
3. *Explain the highlights in the regulatory aspects of Environmental law and policy*
4. *Understand the various phases of Environmental Audit*

UNIT – I

Industrial Pollution and its effects 06h

Climate – Weather and Air Pollution – Classification of water and water bodies – Water Quality Parameters – Water Pollution – Sources – Classification, nature and Toxicology of water pollutants. - Soil parameters – Soil pollution and impacts – Soil conservation

UNIT - II

Environmental Law & Policy: 09h

Highlights of the Acts, Institutional arrangements for: (1) The Water (Prevention & Control of Pollution) Act, 1974 amended in 1988; (2) The Air (Prevention and Control of Pollution) Act, 1981 amended in 1987; (3) The Water (Prevention and Control of Pollution) Cess Act, 1977 amended in 1991; (4) The Environment (Protection) Act, 1986; (5) The Public Liability Insurance Act, 1991; – Indian Policy Statement for abatement of Pollution, 1992.

UNIT - III

Environmental Audit - Scope & Requisites: 10h

Environmental Audit: Definition; Objectives; Scope, Coverage - GOI Notification on Environmental Audit - Benefits to Industry. Reporting Environmental Audit Findings - Importance of Environmental Audit Report to industry, public and the governments.

Co-curricular Activities Suggested:

05h

1. Visit to understand Institutional arrangements and functioning of Pollution Control Boards.
2. Visiting different Ecosystems
3. **Soil analysis:** Determination of soil type and texture, pH, Soil Moisture, Nitrogen, Potassium and Phosphorous.
4. **Water analysis:** Determination of pH, Dissolved solids and suspended solids, Dissolved Oxygen, COD, BOD.
5. Assignments, Group discussion, Quiz etc.

Learning Outcomes:

After successful completion of the course, students will be able to:

1. *Acquire knowledge on solar radiation principles with respect to solar energy estimation.*
2. *Get familiarized with various collecting techniques of solar energy and its storage*
3. *Learn the solar photovoltaic technology principles and different types of solar cells for energy conversion and different photovoltaic applications.*
4. *Understand the working principles of several solar appliances like Solar cookers, Solar hot water systems, Solar dryers, Solar Distillation, Solar greenhouses*

SYLLABUS:

UNIT-I – Solar Radiation:

(6 hrs)

Sun as a source of energy, Solar radiation, Solar radiation at the Earth's surface, Measurement of Solar radiation-Pyroheliometer, Pyranometer, Sunshine recorder, Prediction of available solar radiation, Solar energy-Importance, Storage of solar energy, Solar pond

UNIT-II – Solar Thermal Systems:

(10 hrs)

Principle of conversion of solar radiation into heat, Collectors used for solar thermal conversion: Flat plate collectors and Concentrating collectors, Solar Thermal Power Plant, Solar cookers, Solar hot water systems, Solar dryers, Solar Distillation, Solar greenhouses.

UNIT-III – Solar Photovoltaic Systems:

(10 hrs)

Conversion of Solar energy into Electricity - Photovoltaic Effect, Solar photovoltaic cell and its working principle, Different types of Solar cells, Series and parallel connections, Photovoltaic applications: Battery chargers, domestic lighting, street lighting and water pumping

Co-curricular Activities (Hands on Exercises): (04 hrs)

[Any four of the following may be taken up]

1. *Plot sun chart and locate the sun at your location for a given time of the day.*
2. *Analyse shadow effect on incident solar radiation and find out contributors.*
3. *Connect solar panels in series & parallel and measure voltage and current.*
4. *Measure intensity of solar radiation using Pyranometer and radiometers.*
5. *Construct a solar lantern using Solar PV panel (15W)*
6. *Assemble solar cooker*
7. *Designing and constructing photovoltaic system for a domestic house requiring 5kVA power*
8. *Assignments/Model Exam.*
