- 1. COOPERATION:** The Parties shall establish and maintain channels of communication and cooperation to promote and advance their respective operations. They shall keep each other informed of potential opportunities and share any relevant information that may secure additional opportunities for one another.

The cooperation between the First Party and the Second Party will facilitate the effective utilization of the intellectual capabilities of the First Party's faculty, providing significant inputs in the development of suitable teaching/training systems aligned with the needs of the industry. This MoU represents the entire understanding between the Parties concerning the subject matter herein and supersedes any prior understanding or agreements.

- 2. SCOPE OF THE MoU:** The Parties recognize the potential for undergraduates from the institutions to contribute to technological upgradation, innovation, and industry competitiveness. They believe that close cooperation between the two entities will greatly benefit the student community and enhance their skills and knowledge.

The scope of cooperation under this MoU includes but is not limited to the following:

- I. **Curriculum Design for Internship Programmes:** The Second Party shall provide valuable inputs to the First Party regarding teaching/training methodologies and help customize the curriculum to ensure students are prepared to meet industry demands effectively.
- II. **Training & Visits:** The Second Party shall facilitate industry and institution interaction, providing insight into the latest developments and requirements of various industries. The First Party's faculty and students may visit the Second Party's group companies and participate in training programs. Such training and exposure will prepare the students for a seamless transition from academia to their professional careers. The Second Party shall also provide workshops for hands-on training of learners enrolled with the First Party.
- III. **Skill Development Programs:** The Second Party shall train the students of the First Party on emerging technologies to bridge the skill gap and prepare them for the industry.
- IV. **Guest Lectures:** The Second Party shall extend necessary support to deliver guest lectures to the students of the First Party, focusing on skill development areas.
- V. **Workshops:** The Second Party shall conduct workshops on subjects such as Full stack JAVA, Python, Web designing, Digital Marketing, SEO, and other related courses. These

workshops aim to prepare students to enhance employability in both public and private sectors.

- VI. **Internship Programs:** The Parties agree to collaborate on internship programs, providing practical learning opportunities for students. The Second Party will assist in identifying suitable internships, while the First Party will ensure students meet requirements and monitor their progress. The focus is on educational and training purposes, with no employment entitlements. Regular communication and feedback sessions will be conducted.

3. TERMS AND CONDITIONS:

- I. **Objectives:** The main objective of this MoU is to provide internship opportunities to **SVA Govt. Degree College (M), Srikalahasti**, students across all groups of Short-term and Long-term. The internship program aims to provide students with an opportunity to gain practical experience in a real-world setting and to enhance their skills and knowledge in the field of their choice.
- II. **Duration:** This MoU shall be effective from the date of signing and valid upto **24.04.2027**.
- III. **Eligibility:** The internship program will be opened to all **SVA Govt. Degree College (M), Srikalahasti**, students, subject to the fulfillment of the eligibility criteria as per the UGC guidelines.
- IV. **Selection Process:** The selection of students for the internship program will be done by the First Party, based on the eligibility criteria and the requirements of the organization. The First Party will communicate the process to the Second Party in advance.
- V. **Responsibilities of the First Party:** The First Party will provide a list of eligible students to the Second Party, as per the eligibility criteria agreed upon by both parties.
- VI. **Responsibilities of the Second Party:** The Second Party will provide internship opportunities to the selected students as per the agreed duration and requirements. The Second Party will also provide necessary training, guidance, and mentorship to the interns to ensure that they gain maximum benefit from the program.
- VII. **Confidentiality:** Both parties agree to maintain the confidentiality of any information that may be shared during the course of the internship program.
- VIII. **Termination:** Either party may terminate this MoU by giving written notice to the other party, in case of a breach of any terms and conditions of this MoU.

- IX. **Governing Law and Jurisdiction:** This MoU shall be governed by and construed in accordance with the laws of India. Any disputes arising out of or in connection with this MoU shall be subject to the exclusive jurisdiction of the courts of Tirupati, Andhra Pradesh.
- X. **Amendment:** Any amendment to this MoU shall be made in writing and signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Understanding as of the date and year first above written.

Memorandum of Understanding for Academic Cooperation

Between

Department of Telugu, S.V.A. Govt. College, Srikalahasti

And

Department of Telugu, Govt. Degree College, Puttur

This Memorandum of Understanding is signed at Govt. Degree College, Puttur on this day 23rd October of 2020 and valid for One year only from 23-10-2020 to 22-10-2021.

Department of Telugu, S.V.A. Govt. College and Department of Telugu, Govt. Degree College, Puttur, recognize their strengths in academics and research, and their mutual interest in engaging themselves in academic cooperation.

Department of Telugu, S.V.A. Govt. College and Department of Telugu, Govt. Degree College, Puttur therefore agree to establish a programme for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions set forth in this memorandum of understanding (MoU).

Objectives:

The purpose is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions.

Department of Telugu, S.V.A. Govt. College and Department of Telugu, Govt. Degree College, Puttur agree:

1. to exchange information on research and educational programmes
2. to exchange information on teaching, learning material and other literature relevant to their educational and research programmes
3. to jointly organize short-term education programmes on topics of mutual interest and to invite each other's faculty and students to participate therein
4. to jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty and students to participate therein

Academic Linkage Agreement

This Academic Linkage Agreement is entered into on 08-12-2020 between the Mathematics departments of

S.V.A. Govt. College, Srikalahasti
Pichatur Road, Srikalahasti, Tirupati Dist.

And

Govt. Degree College, Puttur
Narayanavanam Road, Puttur, Tirupathi Dist.

Purpose:

The purpose of this Agreement is to foster academic cooperation and collaboration between the Mathematics departments of the two institutions, enhancing educational opportunities and promoting exchange of knowledge.

Terms of Agreement:

- 1. Exchange of Information:**
Both parties agree to share academic and research information relevant to the field of Mathematics, including but not limited to course materials, syllabi, and academic resources.
- 2. Student Exchange Program:**
Both parties agree to facilitate a student exchange program, allowing undergraduate students from each institution to attend courses or conduct research at the partner institution for a specified period.
- 3. Faculty Collaboration:**
Faculty members from both institutions may engage in collaborative research projects, joint publications, and professional development activities.
- 4. Joint Seminars and Workshops:**
Organize joint seminars, workshops, and conferences on topics of mutual interest, with participation from faculty and students of both institutions.
- 5. Financial Arrangements:**
Each institution will bear the costs related to their faculty and students participating in the activities mentioned above. Financial agreements regarding joint research funding will be negotiated separately for each project.
- 6. Intellectual property:**
Intellectual property rights resulting from joint research projects will be governed by separate agreements as per the policies of each institution.

7. Duration of Agreement:

This Agreement shall remain in effect for a period of one (1) year from the date of signing, unless terminated or extended by mutual written consent of both parties.

8. Review and Renewal:

At the end of the initial term, both parties may review the effectiveness of this Agreement and consider renewal with necessary modifications in writing.

Report on Industrial Visit to Glory Pharma Chem Pvt. Ltd.

Executive summary

As part of the Memorandum of Understanding (MoU) between SVA Govt. Degree College, Srikalahasti, and Glory Pharma Chem Pvt. Ltd., our Department of Chemistry organized an industrial visit to the company's facility on **07.08.2024**. The visit aimed to provide students with practical exposure to the industrial processes and to bridge the gap between academic learning and real-world application.

Orientation session conducted by Dept. of Chemistry

An orientation session was organized by the Department of Chemistry on 05.8.2024 at SVA Govt. Degree College (M), Srikalahasti, in anticipation of the upcoming industrial visit to Glory Pharma Chem Pvt. Ltd. The primary objective of this session was to prepare students by aligning the visit's focus with the relevant topics covered in their syllabus.

Principal, Dr. Sreelatha interacting with the students during the orientation session

Key Topics Covered:

- Overview of drug development processes.
- Synthesis and characterization of pharmaceutical compounds.
- Quality control and assurance in the pharmaceutical industry.

- Analytical techniques used in pharmaceutical quality control.
- Chromatography and spectroscopy in compound analysis.
- Waste management in pharmaceutical industries

Discussion:

The session involved an interactive discussion on how the theoretical knowledge of these topics is applied in a pharmaceutical setting. Faculty members provided insights into the types of machinery and technology used in Glory Pharma Chem Pvt. Ltd. The importance of understanding standard operating procedures (SOPs) and compliance with industry regulations was also emphasized.

Industrial Visit to Glory Pharma Chem Pvt. Ltd

Participants:

Students: III B.Sc (BZC)

1. Chembeti Anitha
2. Janavath Parameshnayak
3. T. Honey Priya
4. Nagalapuram Renuka
5. Thammannagari Monika
6. Thatuku Deepika
7. Vayyavuru Lakshmi prasanna
8. Vetti Vishnu

Faculty Members:

1. Dr. A. Ramesh Babu, Lecturer in Chemistry
2. Smt. K. Sivalalshmi Koteswaramma, Contract Lecturer in Chemistry

Objectives of the Visit:

- To provide students with practical exposure to the pharmaceutical manufacturing process.
- To understand the roles and responsibilities of different departments within a pharmaceutical company.
- To observe the application of theoretical knowledge in an industrial setting.
- To foster industry-academia collaboration through interaction with professionals in the field.

Induction by Dr. G. Ramachandra Reddy, MD of Glory Pharma Chem Pvt. Ltd.:

The visit began with a warm welcome and an insightful induction session led by Dr. G. Ramachandra Reddy, the Managing Director of Glory Pharma Chem Pvt. Ltd. Dr. Reddy provided a comprehensive overview of the company, its history, and its mission to produce high-quality pharmaceutical products. He emphasized the company's commitment to quality, and safety, and shared his vision for the future of the pharmaceutical industry. Dr. Reddy also highlighted the importance of industry-academia collaboration in fostering the next generation of chemists and industry professionals.

Tour of the Facilities:

1. **Warehouse:** The first stop on our tour was the warehouse, where raw materials and finished products are stored. The warehouse is a critical component of the company's supply chain management, ensuring that materials are stored under optimal conditions to maintain their quality. We observed the systematic organization of inventory, the use of advanced storage systems, and the stringent protocols in place to manage the flow of materials.

Industry person explaining the SOPs followed in the maintenance of ware house

2. **Production Department:** The production department was the next focus of our visit. We were introduced to the sophisticated machinery and reactors used in the synthesis of pharmaceutical compounds. The staff explained the importance of maintaining specific reaction conditions, such as temperature, pressure, and pH levels, to ensure the desired chemical reactions occur efficiently and safely.

Obsevation of working of different reactors

3. **Quality Control (QC) Department:** The Quality Control department is responsible for ensuring that every batch of products meets the strict quality standards required in the pharmaceutical industry. We were shown around the wet lab, where traditional analytical methods such as titrations, melting point checks, and moisture analysis are conducted. Additionally, we observed the use of advanced instruments like High-Performance Liquid Chromatography (HPLC) and Gas Chromatography (GC) for more precise analysis.

Students discussing the experiments conducted in the wet lab

Demonstration of different wet lab experiments like Checking of Melting point, Checking moisture of the pharmaceutical products

HPLC Instrumentation Lab

Students observing the HPLC instrument and process of separation of mixture of compounds

Demonstration of different columns used in HPLC instrument

GC Instrumentation lab

Demonstration of Gas Chromatography (GC) experiment

Students observing the GC Columns and process of separation of mixture of compounds

4. **Quality Assurance (QA) Department:** The Quality Assurance department oversees the entire manufacturing process, ensuring that all operations comply with Good Manufacturing Practices (GMP) and other regulatory requirements. The department is also responsible for internal audits, documentation, and validation of processes. The visit provided us with an understanding of how QA ensures that the products released into the market are safe, effective, and of the highest quality.

Students observing the documentation and preservation of different records in the QA department

5. **Safety Department:** The Safety Department plays a crucial role in protecting both the employees and the environment. We were briefed on the various safety protocols, including the use of personal protective equipment (PPE), emergency response procedures, and regular safety drills. The department's proactive approach to hazard identification and risk management was evident, reinforcing the company's commitment to a safe working environment.
6. **Maintenance Department:** Our visit also included a tour of the Maintenance Department, which is responsible for ensuring that all equipment and machinery are in optimal working condition. The maintenance team explained their routine checks, preventive maintenance schedules, and the importance of timely repairs to avoid any disruptions in production.
7. **Interaction with Employees and Management:** The visit concluded with an interactive session where we had the opportunity to engage with the employees and management of Glory Pharma Chem Pvt. Ltd. The staff members shared their experiences and insights into working in the pharmaceutical industry. This interaction was highly beneficial, providing us with practical advice on career development and the skills required to succeed in this field. The management also expressed their willingness to continue supporting academic collaborations and internships for students.

Students interaction with MD and other staff members and clarifying their doubts

Outcomes of the Visit:

- Gained a comprehensive understanding of the pharmaceutical production process, from raw material handling to finished product release.
- Enhanced knowledge of quality control and assurance practices, including the use of advanced analytical techniques.
- Developed an appreciation for the importance of safety and maintenance in ensuring smooth and efficient operations.
- Strengthened the relationship between SVA Govt. Degree College and Glory Pharma Chem Pvt. Ltd., paving the way for future collaborations.

2. Guest Lecture on Introduction of Management Accounting on 11-07-2024

On July 11, 2024, a lecture titled "Introduction to Management Accounting" was conducted as a key component of the academic linkage agreement between S. V. A. Government Degree College, Srikalahasti, and D. K. W. Government College for Women, Nellore. The session was designed to introduce students to the essential concepts of management accounting. The lecturer began by defining management accounting as the branch of accounting that provides financial information and analysis to managers within an organization. This information aids in planning, controlling, and decision-making processes, distinguishing it from financial accounting, which focuses on reporting to external stakeholders.

The lecture covered the fundamental definitions and purposes of management accounting. Key topics included cost types and classifications, such as fixed and variable costs, as well as direct and indirect costs. The importance of budgeting and financial forecasting in strategic management was highlighted, along with tools like cost-volume-profit analysis and performance metrics. The interactive session encouraged student participation and discussions, facilitating a deeper understanding of how management accounting supports effective business decision-making. Both colleges' faculty and students engaged actively, demonstrating the value of this collaborative academic initiative.

3. Study Material Supply Programme on 11-07-2024

On July 11, 2024, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. College for Women Nellore formalized an academic linkage agreement to enhance the study and practice of advanced accounting through a Material Exchange Program. This initiative is designed to foster academic collaboration and resource sharing between the two institutions, with a focus on advanced accounting topics such as financial analysis, auditing standards, and contemporary accounting software. The agreement facilitates the exchange of textbooks, research papers, and case studies, allowing students and faculty members to access a broader range of educational materials.

The Material Exchange Program aims to bridge knowledge gaps and enrich the learning experience by leveraging the strengths of both colleges. S. V. A. Govt. Degree College Srikalahasti will contribute its specialized resources in forensic accounting and financial reporting, while D. K. W. Govt. College for Women Nellore will share its expertise in managerial accounting and tax regulations. This collaborative effort is expected to enhance the academic environment, support faculty development, and provide students with a more comprehensive understanding of advanced accounting practices.

4. Lecture on Career Guidance on 11-07-2024

On July 11, 2024, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. College for Women Nellore held a joint lecture on career guidance, marking a significant milestone in their academic linkage agreement. This event aimed to provide students from both institutions with valuable insights into various career paths and professional development opportunities. The lecture featured distinguished speakers who offered expert advice on resume building, interview techniques, and career planning, focusing on how to navigate the job market effectively.

The collaboration between the two colleges under this academic linkage agreement underscores their commitment to enhancing student employability and career readiness. The session not only highlighted emerging trends in various industries but also facilitated interactive discussions, allowing students to ask questions and seek personalized guidance. By sharing resources and expertise, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. College for Women Nellore are working together to better equip their students with the knowledge and skills needed to succeed in their future careers.

Follow up Activities under Academic Linkage Agreement 2023-2024

1. BOS meeting on 10-08-2023

On August 10, 2023, an online meeting was held between the Undergraduate Commerce Boards of Studies of S.V.A. Government Degree College, Srikalahasti, and D.K.W. Government Degree College for Women, Nellore, as part of their Academic Linkage Agreement Programme. The virtual meeting aimed to strengthen academic collaboration and discuss the integration of the commerce curriculum between the two institutions. Key topics included harmonizing course content, aligning assessment methods, and sharing innovative teaching practices to enhance the overall quality of commerce education.

During the meeting, both colleges explored opportunities for joint academic initiatives, such as collaborative research projects and virtual seminars. The participants agreed to develop a framework for regular interactions and resource sharing to support the academic growth of students across both institutions. This strategic partnership is expected to enrich the educational experience, facilitate professional development for faculty, and foster a more cohesive academic environment for commerce students. Both S.V.A. Government Degree College and D.K.W. Government Degree College for Women expressed enthusiasm for the potential benefits of this collaborative effort.

3. Guest Lecture on Management Accounting Vs Financial accounting on 10-08-2023

On August 10, 2023, Dr. N. Murali delivered a compelling guest lecture on the differences between management accounting and financial accounting at S.V.A. Govt. Degree College, Srikalahasti. This event, part of the academic linkage agreement between S.V.A. Govt. Degree College and D.K.W. Govt. College for Women, Nellore, provided students from both institutions with a clear understanding of how these two accounting disciplines serve different purposes within an organization. Dr. Murali outlined that management accounting focuses on internal processes and decision-making through detailed cost analysis, budgeting, and perform

ance management, while financial accounting is concerned with creating standardized financial statements for external stakeholders, ensuring transparency and compliance with regulatory standards.

The lecture was well-received, featuring engaging discussions and real-world examples that helped elucidate the practical applications of both accounting types. Dr. Murali's insights facilitated a deeper appreciation among students for how management accounting supports strategic planning and operational control, whereas financial accounting offers a snapshot of financial performance for investors and regulatory bodies. This session significantly enriched the students' understanding and fostered a collaborative learning environment between the participating colleges.

3. Study Material Supply Programme on 10-08-2023

On August 10, 2023, as part of the academic linkage agreement between S.V.A. Govt. Degree College, Srikalahasti, and D.K.W. Govt. College for Women, Nellore, Dr. N. Murali facilitated an exchange of study material focused on financial accounting. This initiative aimed to enhance the educational resources available to students at both institutions. Dr. Murali presented a comprehensive collection of updated study materials, including textbooks, case studies, and practical exercises, designed to provide in-depth knowledge and practical insights into financial accounting principles and practices.

The exchange was well-received, with both colleges benefiting from the enriched content and diverse perspectives introduced by Dr. Murali. This collaboration not only improved the quality of study materials available to students but also fostered a greater academic synergy between the two institutions. The shared resources are expected to support enhanced learning outcomes and facilitate a more robust understanding of financial accounting concepts among students.

4. Career Guidance on 10-08-2023

On August 10, 2023, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. College for Women Nellore held a joint lecture on career guidance, marking a significant milestone in their academic linkage agreement. This event aimed to provide students from both institutions with valuable insights into various career paths and professional development opportunities. The lecture featured distinguished speakers who offered expert advice on resume building, interview techniques, and career planning, focusing on how to navigate the job market effectively.

The collaboration between the two colleges under this academic linkage agreement underscores their commitment to enhancing student employability and career readiness. The session not only highlighted emerging trends in various industries but also facilitated interactive discussions, allowing students to ask questions and seek personalized guidance. By sharing resources and expertise, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. Follow up Activities under Academic Linkage Agreement 2022-2023

1. BOS meeting on 03-09-2022

On September 3, 2022, an online meeting of the Commerce Board of Studies was conducted as part of the academic linkage agreement between S.V.A. Govt. Degree College, Srikalahasti, and D.K.W. Govt. College for Women, Nellore. The meeting served as a collaborative platform for both institutions to discuss and align their curricula, ensuring that academic standards and educational outcomes are consistent and up-to-date. The session included deliberations on curriculum enhancements, integration of new teaching methodologies, and the incorporation of recent developments in the field of commerce.

The online meeting was marked by productive discussions and the exchange of valuable insights between the participating faculty members. The collaborative effort aimed to improve the quality of commerce education at both colleges, fostering a shared academic vision and setting a foundation for future cooperative initiatives. This engagement not only strengthened the academic linkage between the institutions but also provided a framework for continuous improvement in commerce education.

2. Guest Lecture on Introduction to GST on 03-09-2022

On September 3, 2022, a lecture titled "Introduction to GST" was conducted as part of the academic linkage agreement between S.V.A. Govt. Degree College, Srikalahasti, and D.K.W. Govt. College for Women, Nellore. The lecture provided an in-depth overview of the Goods and Services Tax (GST), highlighting its significance as a comprehensive tax reform aimed at streamlining the indirect tax system in India. The session covered key aspects of GST, including its structure, implementation, and impact on businesses and consumers. The discussion also addressed the GST framework, including rates, compliance requirements, and recent updates.

The lecture was well-received by students and faculty from both institutions, offering valuable insights into the practical and theoretical dimensions of GST. This collaborative academic effort not only enhanced the participants' understanding of a crucial element of the Indian tax system but also strengthened the educational partnership between S.V.A. Govt. Degree College and D.K.W. Govt. College for Women. The engagement underscored the commitment of both institutions to providing current and relevant knowledge to their students, fostering a deeper appreciation for the complexities of modern taxation.

3. Study Material Exchange on 03-09-2022

On September 3, 2022, an exchange of study materials was conducted as part of the academic linkage agreement between S.V.A. Govt. Degree College, Srikalahasti, and D.K.W. Govt. College for Women, Nellore. This initiative was aimed at enhancing the academic resources available to students at both institutions. The exchange involved sharing a range of educational materials, including textbooks, reference guides, and research papers, with a focus on subjects relevant to both colleges' curricula. This collaborative effort was designed to broaden the students' access to diverse and comprehensive learning resources.

The material exchange was a significant step in fostering academic cooperation between the two colleges. By pooling resources, both institutions were able to provide enriched learning materials that support a deeper understanding of key subjects. The initiative not only facilitated a sharing of knowledge but also strengthened the educational partnership between S.V.A. Govt. Degree College and D.K.W. Govt. College for Women, laying the groundwork for future collaborative academic activities and improving the overall quality of education for students at both colleges.

5. Lecture on Career Guidance on 03-09-2022

On September 03, 2022, S. V. A. Govt. Degree College Srikalahasti and D. K. W. Govt. College for Women Nellore held a joint lecture on career guidance, marking a significant milestone in their academic linkage agreement. This event aimed to provide students from both institutions with valuable insights into various career paths and professional development opportunities. The lecture featured distinguished speakers who offered expert advice on resume building, interview techniques, and career planning, focusing on how to navigate the job market effectively.

The collaboration between the two colleges under this academic linkage agreement underscores their commitment to enhancing student employability and career readiness. The session not only highlighted emerging trends in various industries but also facilitated interactive discussions, allowing students to ask questions and seek personalized guidance. Follow up Activities under Academic Linkage Agreement 2021-2022

1. BOS meeting on 06-10-2022

On October 06, 2022, an online meeting was held between the Undergraduate Commerce Boards of Studies of S.V.A. Government Degree College, Srikalahasti, and D.K.W. Government Degree College for Women, Nellore, as part of their Academic Linkage Agreement Programme. The virtual meeting aimed to strengthen academic collaboration and discuss the integration of the commerce curriculum between the two institutions. Key topics included harmonizing course content, aligning assessment methods, and sharing innovative teaching practices to enhance the overall quality of commerce education.

During the meeting, both colleges explored opportunities for joint academic initiatives, such as collaborative research projects and virtual seminars. The participants agreed to develop a framework for regular interactions and resource sharing to support the academic growth of students across both institutions. This strategic partnership is expected to enrich the educational experience, facilitate professional development for faculty, and foster a more cohesive academic environment for commerce students. Both S.V.A. Government Degree College and D.K.W. Government Degree College for Women expressed enthusiasm for the potential benefits of this collaborative effort.

2. Guest Lecture on Introduction of Management Accounting Vs Cost Accounting on 06-10-2022

On October 6, 2022, an online lecture was conducted on the differences between management accounting and cost accounting as part of the academic linkage agreement between S.V.A. Government Degree College and D.W.K. Government College for Women (A), Nellore. The session aimed to elucidate the distinct functions and objectives of these two specialized branches of accounting. The expert speaker provided a detailed analysis, explaining that while management accounting focuses on providing comprehensive financial and operational information for internal decision-making and strategic planning, cost accounting specifically deals with the tracking, analysis, and control of costs related to production and operations.

The online format facilitated broad participation from both institutions, allowing for an interactive exchange of ideas and questions. The lecture included practical examples and case studies to illustrate how management accounting and cost accounting differ in their approach to financial data and reporting. This event enhanced the participants' understanding of these crucial accounting disciplines and reinforced the collaborative educational efforts between the colleges, contributing to their shared goal of advancing academic knowledge in the field of accounting.

3. Career Guidance on 03-10-2022
