"Only through right education can a better order of society be built up. The object of education was to produce a desire to serve the community as a whole."

- Pandit Jawaharlal Nehru.

### Dr K Narasimha Varma Assumed Charge as Principal FAC

On 01.11.2024, Dr. K. Narasimha Varma, Lecturer in charge, Dept. of Zoology, officially assumed charge as the Principal (FAC) of SVA Government College, Srikalahasti. The faculty welcomed Dr. Varma, expressing optimism about his leadership and the potential for transformative changes under his guidance. Various initiatives and programs are already being discussed to enhance student engagement, academic performance, and overall campus life.

#### **Career guidance program**

The career guidance program for degree students organized by the Jawahar Knowledge Centre (JKC) of SVA Government College in collaboration with SETVEN, Tirupati, marked a significant initiative aimed at equipping students with essential skills and insights for their future careers. The event, presided over by Dr. K. Narasimha Varma, Principal (FAC) of the college, provided students with valuable information on various career paths and the importance of aligning their academic pursuits with industry demands. Expert speakers from SETVEN shared insights on soft skills development, interview preparation, and resume building, enhancing students' readiness for the job market. The program also included interactive sessions that encouraged students to engage with professionals and ask questions about different fields. Overall, the initiative fostered a supportive environment for students to explore their potential career options and make informed decisions about their futures.

#### Academic and educational activities of Dr T Gangaram

Dr. T. Gangaram, Lecturer in Statistics, has actively contributed to various academic and educational initiatives in November 2024. He successfully passed the SWAYAM exam on November 3 with an impressive 63% marks. Following this, he served as an internal examiner for a Ph D viva-voce at Dravidian University in Kuppam on November 11. Dr. Gangaram further engaged with students by delivering a guest lecture to III Semester Statistics students during an extension activity at SP MVV Tirupati on November 12. He participated in an online BOS meeting for DK Government College (Women) in Nellore on November 13, and on November 19, he delivered another guest lecture to I Semester Botany and Zoology students during an extension activity at GDC Puttur. His efforts reflect a strong commitment to academic excellence and community engagement.

## **Inter-Faculty Forum**

On 08.11.2024, the Inter-Faculty Forum presentation on Origin Software was organized at SVA Government College, Srikalahasti, under the esteemed guidance of Dr. C. Bapanayya. The event was presided over by Dr. K. Narasimha Varma, the Principal (FAC) of the college, and was coordinated by the Internal Quality Assurance Cell (IQAC). The forum aimed to enhance the faculty's understanding and utilization of Origin Software, a powerful tool for scientific graphing and data analysis. Dr. Bapanayya conducted an insightful session, demonstrating the software's features and subsequent applications in various academic disciplines. The discussions fostered an engaging environment for knowledge sharing, allowing participants to explore innovative methodologies pertinent to their research work. The event concluded on a positive note, with faculty members expressing enthusiasm about incorporating Origin Software into their academic practices to bolster their research capabilities.

#### **National Education Day**

On National Education Day, the NSS Wing of SVA Govt College, Srikalahasti, organized a vibrant celebration to honor the pivotal role of education in nation-building. The event was presided over by the Principal (FAC), Dr. K Narasimha Varma, who emphasized the importance of quality education in fostering responsible citizens and a progressive society. The program featured inspiring speeches, cultural performances, and discussions that highlighted the contributions of Maulana Abul Kalam Azad, a key figure in India's education system. Dr. Varma urged students to embrace the values of learning and innovation, aligning with the national goals of development and empowerment. The event successfully instilled a sense of awareness and commitment among students towards the transformative power of education.

# **World Diabetes Day**

World Diabetes Day, organized by the Dept. of Zoology, was a significant event aimed at raising awareness about diabetes and its impact on global health. Held on November 14th, the observance featured a series of informative sessions, health screenings, and interactive workshops designed to educate attendees about diabetes prevention, management, and healthy lifestyle choices. Experts in the field

of endocrinology shared insights on the various types of diabetes, risk factors, and the importance of regular monitoring and physical activity. Community members participated in discussions on nutrition and emotional well-being, fostering a supportive environment for those affected by the disease. The event also included a diabetes awareness walk, symbolizing solidarity and commitment to fighting the epidemic.

Dr G Ananda Reddy as Principal FAC for few days

Dr G Ananda Reddy, Principal, BT Govt. College, Madanapalli assumed charge as Principal FAC and served for few days from 20.11.2024. To 29.11.2024

# Freshers' day

On November 23, 2024, the college organized a vibrant Freshers' Day to welcome the Degree first-year students, creating an atmosphere filled with excitement and camaraderie. The event commenced with an opening ceremony where the principal

addressed the newcomers, emphasizing the importance of community and participation in campus life. A series of engaging activities followed, including cultural performances showcasing the diverse talents of students that encouraged freshers to showcase their abilities. Senior students played a pivotal role in mentoring their juniors, fostering an environment of friendship and guidance. The highlight of the day was a lively dance and music segment, which energized everyone present and helped break the ice between the seniors and freshers. Overall, Freshers' Day successfully facilitated a memorable introduction for the first-year students, promoting a sense of belonging and enthusiasm as they embarked on their academic journey.

### **National Constitution Day**

On National Constitution Day, celebrated at SVAGC Srikalahasti, a gathering was held to honor the adoption of the Indian Constitution. The event was graced by the presence of Principal Dr. G. Ananda Reddy and Vice Principal, alongside the Internal Quality Assurance Cell (IQAC) members and Academic Coordinators. The celebration included speeches highlighting the significance of the Constitution in upholding justice, liberty, equality, and fraternity among citizens. Participants engaged in discussions about the importance of constitutional values in fostering social harmony and national integrity. The day served as a poignant reminder of the principles enshrined in the Constitution and their relevance in contemporary society.

#### **JOB MELA BY JKC**

The JKC wing of our college conducted job Mela with MRF. Ltd., , Arambakam, Tamilnadu and Dixon , Renigunta , Tirupati Dist on 27-11-2024. 45 candidates participated in the drive. 38 short listed Among them 33 got selected 26 Candidates for MRF Ltd & 7 Candidates for DIXON and were given offer letters.
